

UNIVERSAL HEALTHCARE MANAGEMENT SERVICES

CORE COMPETENCIES

Universal Healthcare Management Services Inc. (UHMS), a disabled veteran owned minority Certified company, was established in 1999 by William Patterson (CEO). UHMS is committed to empowering children, youth and families to transcend adversity and achieve their fullest potential.

Residential Services

We develop and operate a comprehensive array of residential services catering to adolescent males and females ages 13 to 21, who have been referred by government agencies serving children, youth, and families.

Proprietary Trauma Based Model Interventions

Individual, group and family interventions for symptom and behavior management for PTSD.

Counseling

We offer individual, group and family plans for symptom and behavior management.

Community Outreach

We serve as advocates for our consumers, collaborating with other community resource agencies and members of the consumer's network.

PAST PERFORMANCE

UHMS has successfully collaborated with key government agencies, including:

DC Department of Youth Rehabilitation: 15 years licensed as a residential provider

DC Department of Behavioral Health: 15 years certified as an Outpatient Mental Health Clinic

MD Department of Health : 10 years certified as an Outpatient Mental Health Clinic and Psychiatric Rehab, CARF Certified.

DC Department of Developmental Disabilities: licensed and certified for 3 years as a Supervised Independent Living Provider

KEY DIFFERENTIATORS

UHMS provides consulting services to develop, operate and train personnel for new therapeutic group homes or existing ones. UHMS partners with residential or outpatient behavior health clinics to implement the Global Transcendence model. As a member of the Global Educational Exchange (GEEC), we prioritize STEAM education weekly to foster socioeconomic growth. UHMS hosted 15 South African youths for a two-week inaugural trip to Wash, D.C. The closing event was broadcast virtually reaching audiences in the US, South Africa, Nigeria, Rwanda, Brazil, Kenya, and the Caribbean.
